RESPONSE

Sir:

In the Office Action mailed April 18, 1994, the Examiner issued a restriction requirement in the present action. Pending claims 1-3, 6-8 and 11-15 have been separated into the following groups:

Group I. Claims 1-3, 13 and 14, drawn to a bimodal MP⁰ polyolefin composition;

Group II. Claim 11, drawn to a process for preparing the composition of Group I by mixing separate polyolefins having different melting points; and

CERTIFICATE OF MAILING (37 cfr 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the: Commissioner of Patents and Trademarks, Washington, D.C. 20231.

Date: May 2, 1994

Linda J. Scheurle
Linda J. Scheurle
(Person mailing paper)

Group III. Claims 6-8, 12 and 15, drawn to a process for preparing
the product of Group I by direct polymerization.

The inventions are alleged to be distinct. Without traverse, Applicants elect the
invention of Group III for the purpose of examination.

Respectfully submitted,

John M. Genova
